

## Mission Statement

*Lord of Life Lutheran Church in Austin, Texas is a congregation of the Evangelical Lutheran Church in America which envisions itself to be "A people, alive and growing in God's love, who create an open, caring and secure atmosphere of love and acceptance in meeting the needs of members, visitors and the community." We understand our mission to be "inviting and equipping people to live and share God's love through praise, fellowship and service to our community."*

Living in Christ,  
Growing in Love and Service

## Our History and Future

Lord of Life began as a mission in North Austin in 1995. We became a congregation of the Evangelical Lutheran Church in America in 1996. In Spring of 2006, we dedicated the first unit on our land at 9700 Neenah Ave. in the Davis Spring area.

Here we are these years later still growing in love and faith as a church.
